CAYR COMMUNITY CONNECTIONS Statement Against Anti-Black racism Position Statement

CAYR Community Connections holds values that are rooted in the principles of Anti-Racism and Anti-Oppression. CAYR is committed to a diverse and inclusive environment for all employees, service users, volunteers, and stakeholders, regardless of race.

We condemn all forms of anti-Black racism and all systems of oppression which deny individuals the right to equitable treatment, access, and fairness. We acknowledge that systemic and institutionalized racism serves to limit the opportunities and potential of members of the African, Caribbean, and Black communities.

CAYR understands that all ACB individual experiences are not all the same and pledges to listen, learn, and take actionable steps to ensure equitable and inclusive access for ACB community members of all intersecting identities as a regular part of our ongoing work.
